Maggie L. Walker Governor's School for Government and International Studies offers an incredible opportunity for those gifted students who are also interested in pursuing a rich and intensive study of the visual arts. We offer three possible tracks of study which culminate in Independent study Art 4 and Art 5 courses. These capstone classes allow the young artist to develop a portfolio in their specific area of interest as well as exhibit their work in an off-campus professional space as a part of our annual Senior Art Exhibition at Artworks Gallery.

### Possible four-year sequential programs

9th Grade	10th Grade	11th Grade	12th Grade
Art 1	Art 2	Art 3	Art 4

### Additional Visual Arts Course Offerings

In addition to our sequential tracks of study, we offer an incredible selection of courses for the advanced art student. Best of all, many of these courses offer VCU Dual Enrollment credit (between 3 - 8 credit hours). While Art History and Film Studies are single courses, we offer a sequential two-year course of study in Photography. These courses round out an amazing selection of visual art offerings.
